Dear

FREEDOM OF INFORMATION REQUEST REFERENCE NO:

I write in connection with your request for information dated 30 March 2007, which was received by Greater Manchester Casualty Reduction Partnership on 2 April 2007. I note you seek access to the following information:

- **Who does the calibration on your speed cameras.**
- **Is this calibration carried out every time a speed camera is going to be used.**
- **Do the people who operate your speed cameras carry calibration certificates with them.**
- **What type of speed cameras do you use.**

Following receipt of your request searches were conducted within Greater Manchester Police to locate information relevant to your request. I can confirm that the information you have requested is held by Greater Manchester Police.

1-2) Full calibration checks are performed every 12 months, these checks are undertaken by the manufacturer.

3) Operators do not carry certificates.

4) The following safety cameras are used: Gatso Speed, Truvelo Speed, Lastec 20:20 Speed, Redspeed speed and red light, and Gatso red light.
