Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

However Greater Manchester Police does not hold the information that you have requested in an easily retrievable format. To provide the data requested would involve a manual search of each individual driver's record to establish whether their license has been endorsed by the DVLA or not. A search of GMPs records shows over 15,000 records which would require a manual review, this would, with a conservative estimate of 5 minutes per record, take approximately 1,250 hours to collate.

Therefore, as per section 12(1) of the Freedom of Information Act 2000, the cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of locating and retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004.

In accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice.

In this instance, Greater Manchester Police will be unable able to provide advice for you to reduce the request in order for the force to keep this within the fees limit in accordance with Section 16(1), the duty to provide advice and assistance, of the Freedom of Information Act 2000.
