CAVEATS

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

This data contains crimes with a created date between 18th April 2018 and 18^h April 2023, where the transgender hate motivation flag is equal to Yes, excluding cancelled crimes. Further information about cancelled crimes can be obtained from the Home Office Counting Rules. Non-crime hate incidents are not included in the data.

The crime outcome has been provided for question 4. A crime outcome of 'Missing Value' means that an outcome has not yet been applied.
