FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/23/011101/M

I write in connection with your request for information dated 25/07/2023, received by Greater Manchester Police (GMP) for the following information:

Would it be possible to disclose the following information each month between January 2018 and July 1st 2023?

- 1. How many collisions involving e scooters were recorded by your force?***
- 2. How many collisions included only one e scooter with no other vehicles involved in the collision?***
- 3. How many casualties were there in collisions involving e scooters?***
- 4. Of all casualties in collisions involving e scooters – how many were e scooter riders?***
- 5. How many people have been killed in collisions involving e scooters? How many killed were the riders?***
- 6. How many people were seriously injured in collisions involving e scooters? How many were the riders?***
- 7. How many people were slightly injured in collisions involving e scooters? How many were the riders?***

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm that some of the information requested is held by GMP.

Please note: We can only provide data from April 2021 to July 2023 due to the implementation of a new system. Anything prior to 2021 will need to be retrieved via contacting Transport for Greater Manchester. Please see <https://tfgm.com/foi> for more information on how to contact them.

Due to the low numbers returned the totals have been merged together in yearly totals, as by providing all this information split by individual months as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under

S40(2) – Personal Information, would be engaged and result in information being refused. By merging this data it can be provided in its entirety.

1. How many collisions involving e scooters were recorded by your force?

Year	Total
2021	17
2022	36
2023	8

2. How many collisions included only one e scooter with no other vehicles involved in the collision?
