FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/23/011116/T

I write in connection with your request for information dated 31/07/2023, I note you seek access to the following information:

Could I please have exactly the same data as FOI 2402 23, except for the period 2013-2018, instead of 2019.

Result of Searches

Following receipt of your request, searches were conducted within Greater Manchester Police to locate information relevant to your request. I can confirm that the information you have requested is held by Greater Manchester Police.

Caveats

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

- This data contains crimes with a created date between 1st January 2013 and 31st December 2018, where the disability hate motivation flag is equal to Yes, excluding cancelled crimes. Further information about cancelled crimes can be obtained from the Home Office Counting Rules.
- Non-crime hate incidents are not included in the data.
- Management of Police Information regulations state that non-essential records should be removed from police systems six financial years after the year in which they were originally created. This means that data that is more than six financial years old may be incomplete and should not be compared to more recent data reported.
