I write in connection with your request for information dated 14/08/2023, received by Greater Manchester Police (GMP) for the following information:

*For the past ten years up to the present day (2012/13-present day) how many community resolutions has the force administered? Please can you break it down by year and offence type.*

**Result of Searches**

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

**Caveats:**

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

This data contains crimes with an outcome date between 01/01/2013 and 20/07/2023 with the Home Office Outcome 8 for community resolution, excluding cancelled crimes. Further information about cancelled crimes can be obtained from the Home Office Counting Rules.

2023 is a partial year, up to and including 20/07/2023.
