Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Caveats:

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

This figure is based on detainees who were recorded as 'Released Without Bail'. Cognos only shows one disposal for each record. It therefore means that there may be several cases that have been missed where more than one disposal was used, for example, a detainee who was charged for one offence and released without bail for another.
