FREEDOM OF INFORMATION REQUEST REFERENCE NO: GSA 698/23

I write in connection with your request for information dated 03/02/2023, I note you seek access to the following information:

The cost & amount of policing hours invested in the investigation, arrest, and subsequent proceedings against Mason Greenwood in connection with charges in January 2022.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police to locate information relevant to your request. I can confirm that the information you have requested is held by Greater Manchester Police.

However, GMP does not hold the information that you have requested in an easily retrievable format. To provide the accurate data for the resources spent for a specific case is complex, especially the amount of policing hour and cost from manpower. Our officers worked on this case along with other duties and it is difficult to identify how many hours exactly spent on a particular case. This issue would continue on cost for the manpower that payroll would have to scrutinise on each officer records to identify cost. As such, it is anticipated it would take in excess of 18hours to provide the requested information.

Therefore, as per section 12(1) of the Freedom of Information Act 2000, the cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of locating and retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004.

In accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice.

GMP is obligated, pursuant to section 16(1) of the Act to provide you with advice and assistance on refining your request to bring compliance within the fees limit. In order for the

force to keep this within the fees limit, the information that you are requesting may ask for budgets for the case, if any. The resulting response cannot be guaranteed at this point as it will be dependent upon the number of records that fall within the scope of any new request, as they would still have to be manually assessed.

Should you wish to refine and resubmit your request in line with the advice above please respond to freedomofinformation@gmp.police.uk.
