Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested currently is not held by GMP.

The information requested is not currently held by GMP, this is due to the conference only ending a couple of weeks ago. GMP will not have this data available until at least December 2023 as we will need to confirm the cost of the resources provided by other forces.

You can resubmit your request after this time.
