FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/23/011248/E

I write in connection with your request for information dated 24/08/2023, I note you seek access to the following information:

As the crime data is not available on the gmp.police.uk and police.uk websites, could your office kindly provide 12 months crime stats for each of the following areas:

- *Platt Field*
- *Fallowfield*
- *Moss Side*
- *Rusholme*

Result of Searches

Following receipt of your request, searches were conducted within Greater Manchester Police to locate information relevant to your request. I can confirm that the information you have requested is held by Greater Manchester Police.

Caveats

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

Crime data:

- This data contains crimes with a created date between 1st August 2022 and 31st July 2023, where the crime location community is Platt Fields, Fallowfield, Moss Side, or

Rusholme, excluding cancelled crimes. Further information about cancelled crimes can be obtained from the Home Office Counting Rules.

- The data for a specific location may include crimes that did not happen in that location and/or exclude crimes that did.
 - Some crimes do not have a beat code, which means that they cannot be mapped to other geographies e.g. communities.
 - Some crimes have an incorrect beat code, which means that they are mapped to the wrong geographies.
 - Some crimes do not have an address because e.g. the address has been recorded in a non-standard format or as map coordinates.

Please see attached the data file.
