FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/23/011305/W

I write in connection with your request for information dated 11/09/2023, received by Greater Manchester Police (GMP) for the following information:

All speeding fine tickets data, detailing the driving speed, colour, make and model of each vehicle between August 2022 and August 2023.

Is it possible to have this data sorted into regions?

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

However, Greater Manchester Police (GMP) does not hold the information that you have requested in an easily retrievable format. To provide a response to the regions of the requested incidents would require a detailed manual review of each record to determine which GMP district they fell under. Initial searches reveal in excess of 150,000 records and as such it is anticipated it will take over 18hrs to provide this information.

Therefore, as per section 12(1) of the Freedom of Information Act 2000, the cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of locating and retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004.

In accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice.

GMP is obligated, pursuant to section 16(1) of the Act to provide you with advice and assistance on refining your request to bring compliance within the fees limit. In order for the force to keep this within the fees limit, the information that you are requesting will need to remove the 2nd part of this request regarding the data being sorted into regions. However, the resulting response cannot be guaranteed

at this point as it will be dependent upon the number of records that fall within the scope of any new request, as they would still have to be manually assessed.

Should you wish to refine and resubmit your request in line with the advice above please respond to freedomofinformation@gmp.police.uk
