FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/23/011111/O

I write in connection with your request for information dated 28/07/2023, received by Greater Manchester Police (GMP) for the following information:

Can I please request the number offences recorded, type of offence recorded and the outcomes for offences recorded. From all Tesco retail sites within Greater Manchester police force area. Recorded between 31/07/22 - 31/12/22.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

CAVEATS

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

This data contains data for notifiable offences (those listed under the Home Office Counting Rules) with a created date between 1st July 2022 and the 31st December 2022 where the location building, street or location description contains 'TESCO', excluding cancelled crimes. Further information about cancelled crimes can be obtained from the Home Office Counting

Rules. The HO Offence Group and Crime Tree Level 2 and 4 have been provided to assist in answering the 'type of offence recorded'.

The crime outcome has been provided to answer the "outcomes for the offences recorded." A crime outcome of "Missing Value" means that an outcome has not yet been applied.

REPLY

There were 1,123 crimes recorded at Tesco sites in the requested period. A list of the offence classifications and outcomes is below.
