Caveats

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

- The crime grand total is all the crimes counted based on the DV (Domestic Violence) Related Flag or the Alcohol Related Flag for the periods 13/06/2023-15/07/2023 & 13/06/2024-15/07/2024. Please note there is no Flag for Drug Related crimes/

incidents. Instead Drug Offences based on the HO Codes on the 'Drugs HO Codes' tab have been considered separately for the same time frames.

- The date relates to when the crime was recorded and not when the incident occurred.
- Where possible duplicates have been removed.
