FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/24/013067/E

I write in connection with your request for information dated 06/08/2024, received by Greater Manchester Police (GMP) for the following information:

Can I please request the ethnicity of offenders for specifically stranger rape from 2018 to 2022? Feel free to aggregate such numbers together yearwise and please do this for officer identified ethnicity as I imagine that will have less data issues.

Could you also provide these figures from forcewide

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Caveats.

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

- The crime grand total is all the rape crimes where the keyword 'Unknown' or 'Stranger' appear in the MO Description for the period 01/01/2018-31/12/2022.
- The Year relates to when the crime was created and not when the crime was committed.
- Where possible duplicates have been removed.
- The Offender Ethnicity is based on the Police Defined Ethnicity as requested.
