Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is held by GMP.

Caveats:

The data for this request is based on a search of all crimes recorded between 01/01/2023 and 31/12/2023 inclusive where the domestic abuse flag has been ticked as yes. The

information has then been broken down by victim age (at the time of the offence), victim gender (as recorded), and the victim self-declared ethnicity (as recorded).

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing – the systems are in continual development and the data provided for this request is what the systems currently hold. Any data provided for this request is subject to change as crimes are progressed and/or updated.

The suspects ages have been merged together as by providing all this information split by individual ages as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By merging this data it can be provided in its entirety.

Please find your requested data on the attached spreadsheet.
