Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Caveat.

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

- Where possible duplicates have been removed.
- The data has been filtered to female victims only.
- The data has then been filtered to Community Resolution Outcomes
- Data provided is from 01/01/23 – 31/12/23.

Response.

- The number of people in 2023 who have been given community resolutions for sexual assaults on women is **24**.
