I write in connection with your request for information dated 25/01/2024, received by Greater Manchester Police (GMP) for the following information:

1 From jan 2017 until dec 2023 the total number of officers who have retired via the ill health retirement process

2 the “bandings” that were awarded to the officers in the first instance by the Selected Medical Practitioners in the Injury on Duty award process

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Please note –

- Not all officers who are ill-health retired will necessarily apply for an IOD award after they retire. It depends whether they consider that the reason they retired was due to an injury on duty.
- If they do apply, an IOD award is not always granted
- The data provided is what is currently held by our systems.
