Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm that the information requested is held by GMP, however, I am not required to supply it because an exemption applies.

The exemption applicable to the information is **Section 21 - Information reasonably accessible by other means**. This is because the information is already freely available at:

The brand name of lifts - <https://www.gmp.police.uk/SysSiteAssets/foi-media/greater-manchester/disclosure-2023/october/01foi23011309a-annual-spend-on-food-laundry-and-lifts.pdf>

Details of our current contracts, that are visible for FOI, are available online through the Bluelight E-procurement Hub. The Bluelight E-procurement Hub is searchable, so a requestor can search by keyword to find any relevant contracts. By clicking into each contract via the View Details button, relevant information such as start, end dates and estimated contract value can be found.

For your information a new version of the contract register via the In-Tend system is being developed – so the link may be different in the future.

Please contact Procurement team for further information, please see [Tenders and business](#).
