FREEDOM OF INFORMATION REQUEST REFERENCE NO: FOI/24/012902/K

I write in connection with your request for information dated 08/07/2024, received by Greater Manchester Police (GMP) for the following information:

This is the new request:

To clarify, I wish to know how much of the extra policing was paid for by public funds as opposed to being subsidised by the Parklife organisers. I fail to see a causal relationship between this information and potential future crime.

Therefore, please confirm what percentage of the total expenditure was paid by Parklife, and what percentage was paid for by Public Funds. Please also confirm the proportion of police presence from Salford officers, as a percentage if it can't be given in absolute terms.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is not held by GMP.

GMP do not hold data in percentage format as requested.

Please note, GMP is unable to determine what percentage was paid for by public funds as this would form part of the general cost charged via council tax payments and cannot be broken down into costings for individual events.
