Question 1

Year	Total
2021	38
2022	50
2023	53

Question 2 and 3

Due to the low numbers returned, the outcomes have been split from the year as by providing this information together would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By splitting this data it can be provided in its entirety.
