FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/24/012313/V

I write in connection with your request for information dated 14/03/2024, received by Greater Manchester Police (GMP) for the following information:

I would like to know how many vehicles within Greater Manchester Police fleet have been caught breaking SP 30 and issued with a fixed penalty notice.

I would like you to provide details of how many vehicles driven by civilians ,PSCOS and officers going about their normal duties traveling around Greater Manchester who have been caught Via cameras in and around the area , static and mobile with a NIP issued to your organisation and section 172 filled out by the person driving the vehicle at that time.

This request would not include officers traveling to emergency situations using emergency lights and sirens.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held not by GMP.

GMP do not record the number of police vehicles caught speeding by any means. The only point at which our system would show a vehicle as being owned by GMP is at the initial enquiry.
