FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/24/012315/X

I write in connection with your request for information dated 14/03/2024, received by Greater Manchester Police (GMP) for the following information:

Hi, I am currently working on my final year dissertation and my question is 'How does mental health affect the rate of homicides in the whole of the UK and different countries?'

and I was wondering if I would be able to get data on how many people who committed homicide was suffering with mental health issues during the time period of January 2013 to January 2023 as this would be a great help to my final piece. many thanks,

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Please note:

- Data prior to 2019 is not available. GMP only started to record Homicides which includes a Mental Health (MH) marker from 2019.
- Data is provided for the financial years 2019/ 2020 through to the current financial year (as of 18/03/2024).

Financial Year	Total
2019/20	4
2020/21	4
2021/22	6
2022/23	3
2023/24 (as of 18/3/24)	5
