FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/24/012491/M

I write in connection with your request for information dated 17/04/2024, received by Greater Manchester Police (GMP) for the following information:

Under the Freedom of Information Act, I am requesting the following information:

I am seeking information in relation to the use of AI in recruitment processes.

- 1. Does Greater Manchester Police use AI in any part of the job recruitment process. This can include: identifying the hiring needs, preparing the job description, talent search, screening and shortlisting, interviewing, evaluation and offer of employment, and introduction and induction of the New Employee. This also includes any AI technology that uses body-language analysis, vocal assessments, gamified tests and/or CV scanners.*
- 2. If the police force does use AI during any part of this process, which software is most commonly used, and since when has this software been in use? Which company provides this software?*
- 3. How much have you spent on AI technology related to the use of recruitment?*
- 4. Apart from using AI in recruitment, does Greater Manchester Police use AI technology in any other aspect? Please specify what that is.*

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is held by GMP.

1. GMP do not use Artificial Intelligence in recruitment.
2. N/A
