Caveats

- The data provided for this request is what the systems currently hold.
- The data is for a full calendar year of 2023.
- GMP can only account for the NIPs that have been sent directly from the Central Ticket Office (CTO) or served verbally at the roadside where the officer has subsequently submitted a traffic offence report to the CTO for process.
- GMP do not hold any records of any paper NIPs issued by individual officers for court process as they would not come through the CTO.
