FREEDOM OF INFORMATION REQUEST REFERENCE NO: FOI/24/013418/H

I write in connection with your request for information dated 08/10/2024, received by Greater Manchester Police (GMP) for the following information:

The number of police incidents and arrests reported every day in November for the last 10 years

I would like the keywords to be searched for in the database to be in relation to shoplifting, vandalism and assaults. But break these down so it is clear how many of each type of incident/crime are committed

CLARIFICATION

I am looking for specific offences of vandalism, shoplifting and assaults

Both incidents and crimes but provided separately

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Caveats:

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.
