Caveats

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

- The 'Count of DA Crimes', where DA refers to Domestic Abuse, total is all the crimes counted that have a DA Flag for the period 31/12/2022-01/01/2023 and 31/12/2023 to 01/01/2024.
- Where possible duplicates have been removed.

- Please note the below data is based on when the crime was reported rather than when it occurred so historic crimes will be included

The information broken down for each date has been exempted from disclosure under **Section 40(2) Personal Information** – this information constitutes personal data of an identifiable living individual, and to disclose this information would breach the principles of the General Data Protection Regulation (GDPR) and the Data Protection Act 2018. Personal data is defined by Section 1 of the Data Protection Act 1998 and means data that relates to an individual who can be identified directly or indirectly from that data.
