FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/24/013507/H

I write in connection with your request for information dated 01/FOI/24/013507/H, received by Greater Manchester Police (GMP) for the following information:

I am seeking data relating to your police force area relating to rates of CU50 Offences. Please could you provide data in response to the following request.

"Within your force area, how many drivers were issued with a CU50 offence code by reason of passengers in each month of 2023 and up to the 30th September 2024."

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is held by GMP.

CAVEATS

The code CU50 relates to a DVLA driving licence endorsement code not an offence code. The passenger offence of "Use a motor vehicle / trailer the number of passenger / manner carried likely to cause danger" would result in a licence endorsement using code CU50.

The total for February 2023 has been replaced with X due to being low numbers, and as by providing all this information as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in this information being refused. By replacing the data in this way, it can be provided in its entirety.
