FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/24/013582/S

I write in connection with your request for information dated 04/11/2024, received by Greater Manchester Police (GMP) for the following information:

- 1. How have the implementation of the new AI fixed speed cameras impacted on the total number of offences detected*
- 2. Have the number of speed awareness courses or driver retraining courses increased since the last financial year? and when were the AI cameras first implemented and counted towards these stats.*

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. As confirmed in [this article from Transport for Greater Manchester](#), the new speed cameras do not use artificial intelligence. Therefore, GMP hold no information in relation to your request.
