I would like to receive the below information in excel format please:

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Due to low numbers being returned, some of the totals have been replaced with X, as by providing all this information as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing this data in this way, it can be provided in its entirety.

“Fines” are imposed by a court not the police GMP only administer offences dealt with by way of fixed penalty process.

The attached spreadsheet is offences that CTO has processed and how many have been finalised by payment of a fixed penalty.
