Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Due to low numbers returned per age, the total per exact age of the driver has been merged together as by providing all this information split as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By merging this data, it can be provided in its entirety.

Data is not currently available for Sept 2024, so the data provided is Aug 23 – Aug 24.
