FREEDOM OF INFORMATION REQUEST REFERENCE NO: FOI/24/013317/D

I write in connection with your request for information dated 24/09/2024, received by Greater Manchester Police (GMP) for the following information:

Req 1.

Please can you provide me with any information held by GMP related to the pro-pedophile rights movement claiming the terrorist capacity to blow up part of a South London Council Estate headed by the "Noonabomber" who banks at the Halifax in M22 Wythenshaw?

Please can you provide me with any recorded information related to the M33 based [REDACTED] and [REDACTED] rings as well as any recorded information on the possibility of Noonabomber network connections to either of the aforementioned rings?

Please include any email correspondence from the [REDACTED] who claims the links to GMP and terrorist capability to Chief Constable Stephen Watson as well as any correspondence relating to Noonabomber activities in Manchester held on record at GMP Headquarters by GMP Noncebusters or any RUOC Units, any real Police based at Altrincham, Longsight, anywhere near the Arndale Center, Canal Street or Urmston. (Any personal information related to the true identity of any possible Noonabomber suspect or suspects can be redacted to avoid prejudice to any potential prosecution of the pro-pedophile rights Noonabomber network members)

Many thanks to all The GMP's for all your help with my documentation of one of the strangest episodes in British criminal history I know of.

Req 2.

?: How many children's crayons have been received GMP as part of a peaceful political protest against child molestation and high level noncency as well as the concealment of such disgusting activities by the Steadman ring with its GMP affiliates?

Please provide any recorded information held by GMP to prove or disprove the emergence or rise of the Noonabomber pro-pedophile rights network is connected or is not connected to the yellow metal bracelet with provenance rather than provenance being sold to a very convicted Manchester sex case who is internationally known as a massive joke amongst the Artists, Pavement Artists and other associates of a truly world class wrecking crew that established JMUKE, embarrassed the Office of the Attorney General etc, etc, etc.

Nice one Centurion!
