FREEDOM OF INFORMATION REQUEST REFERENCE NO: FOI/24/013370/I

I write in connection with your request for information dated 02/10/2024, received by Greater Manchester Police (GMP) for the following information:

REQUEST 1

I should also raise with you that ironically your letters do not print vehicle registrations in the format that conforms to regulations. Can you please accept this as a freedom of information request as to why Greater Manchester Police and the central ticketing office do not print vehicle registration numbers in the correct and legal format? The irony of this should not be lost on anyone within your organisation.

REQUEST 2

New added request 03/10/2024

In addition to my original FOI request I would like to make an additional request as to how much an average Freedom of information act request costs your organisation.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is not held by GMP.

Request 1

There are no regulations relating to how a number plate would be written or typed in correspondence/letters by GMP or anyone else, therefore no information is held relating to request 1.

Request 2

No information held. GMP do not hold the average cost of a Freedom of Information request.
