FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/014393/S

I write in connection with your request for information dated 11/03/2025, received by Greater Manchester Police (GMP) for the following information:

I'm requesting information related to the following video, which was filmed on October 14, 2021, which shows two youths being chased and challenged after they were spotted wheeling a scooter across a road in the Old Trafford area of Manchester. [REDACTED], who was walking his dog, was among onlookers who ran after the youths and confronted them. A spokesperson for Greater Manchester Police told MailOnline:

"Officers were called at around 5.45pm on Thursday, October 14, to report of a fail to stop collision. Police attended and enquiries established that a suspected stolen moped had collided with a stationary vehicle. The two individuals on the moped fled the scene. Enquiries are ongoing and no arrests have been made."

I'm looking to find out whether or not the two youths were ever found/arrested, and if so, if it's possible to receive a copy of the police report via email.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

The investigation was closed for no further action. However, no case is ever fully closed, and should new information be received, this would be reviewed, and an assessment would be made to determine any future action.
