Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Caveats:

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

This data contains crimes for the Rusholme community area, with a created date between 1st March 2025 and 31st March 2025, excluding cancelled crimes and crimes classified as fraud. Further information about cancelled crimes can be obtained from the Home Office Counting Rules. Details regarding fraud crime can be obtained by contacting the NFIB.

Due to some low results, some data has been replaced with X as by providing all this information split by each offence would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing the data this way, it can be provided in its entirety.
