FREEDOM OF INFORMATION REQUEST REFERENCE NO: FOI/25/014469/V

I write in connection with your request for information dated 24/03/2025, received by Greater Manchester Police (GMP) for the following information:

After pleading guilty (or being found guilty) for a criminal offence, how many days did each officer wait for an accelerated misconduct hearing? Please supply data by rank and how long it took from conviction to the accelerated misconduct hearing. I require a response for the years 2023, 2024 and 2025 to date. (I would prefer calendar year but financial year is OK if that is how you store the information).

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Caveats:

- Cautions not included as not classed as a conviction
- Data calculated using the date of Date of AMH outcome. If you used date of conviction, then some case would not yet have been to an AMH
- Some AMH's are undertaken following guilty plea even if not yet sentenced – if this is the case then the plea date used instead of conviction date

Due to low numbers per rank, this information has been exempted from disclosure under Section 40(2) Personal Information – this information constitutes personal data of an identifiable living individual, and to disclose this information would breach the principles of the General Data Protection Regulation (GDPR) and the Data Protection Act 2018. Personal data is defined by Section 1 of the Data Protection Act 2018 and means data that relates to an individual who can be identified directly or indirectly from that data.
