FREEDOM OF INFORMATION REQUEST REFERENCE NO: FOI/25/014626/Q

I write in connection with your request for information dated 18/04/2025, received by Greater Manchester Police (GMP) for the following information:

I'm writing to kindly request information under the Freedom of Information Act 2000. I'm looking for a list of all current operational units within Greater Manchester Police that are regularly deployed on the roads — for example, GMP Traffic.

If possible, could you include the names of any sub-units or specialist teams that also carry out road-based operational duties? I'm only interested in units that are actively working on the roads, so there's no need to include office-based or non-deployable roles.

I'd really appreciate any information you can provide.

Many thanks in advance for your time and help.
