CAVEATS

For questions 4 and 7, “criminal allegation” is taken to mean a live criminal investigation at the date of this letter, or the suspended officer has been subject to a criminal conviction. A crime could have been closed No Further Action but the officer still be suspended or restricted.

For question 5, the figure provided excludes those suspended for criminal matters.

Due to low numbers being returned for some ranks, some of the totals for question 2 have been replaced with X, as by providing exact figures as you have requested would significantly increase the likelihood of identifying the individuals concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing this data in this way, it can be provided in its entirety.
