FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/015304/F

I write in connection with your request for information dated 08/08/2025, received by Greater Manchester Police (GMP) for the following information:

I've been instructed to produce a Crime Impact Statement to support a planning application for a residential scheme on land off [REDACTED], Sale, which I believe lies in the St Mary's West neighbourhood policing area.

Can I please ask you to provide the crime types and numbers of recorded crimes between 1st January 2022, and the latest date you have in 2025, in the St Mary's West community policing area or the policing beat which covers the above location? Would it also be possible to break the data down, so each year is shown separately please?

Any issues then please let me know.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is held by GMP.

CAVEATS

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

This data contains crimes with a created date between 01/01/2022 and 12/08/2025 where the reported beat name is 'St Marys West', excluding cancelled crimes and crimes classified as

fraud. Further information about cancelled crimes can be obtained from the Home Office Counting Rules. Details regarding fraud crime can be obtained by contacting the NFIB.

Due to low numbers being returned for some crimes, some of the totals have been replaced with X, as by providing exact figures as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing this data in this way, it can be provided in its entirety.
