CAVEATS

In July 2019, GMP implemented a new operating system. The system is in continual development and the data provided for this request is what the system currently holds. The data provided for this request is subject to change as crimes are progressed and/or updated.

Code 008/71 became inactive on 31/01/2024 and was replaced by codes 088/15 and 175/08. Therefore, the data from 01/01/2020 to 31/01/2024 relates to 008/71, and the data from 31/01/2024 to 26/10/2025 relates to 088/15 and 175/08.

Home Office Code	Home Office Offence Description	Effective From Date	Effective To Date
008/71	Disclose private sexual photographs/films with intent to cause distress	13/04/2015	31/01/2024 – Inactive
088/15	Sharing or threatening to share intimate photograph or film	31/01/2024	Active
175/08	Share photograph or film of person in intimate state without consent	31/01/2024	Active

Where the victim/offender age, sex, nationality is 'unknown', this can either mean that this information is unknown (genuinely unknown or the victim/offender refused to give this information) or unrecorded by the investigating officer.

'Location' has been given as the crime committed location, so is the same for both victim/offender questions.

Some crimes are still ongoing and the suspects have not yet received a final outcome. For these crimes, I have listed the outcome as 'ongoing'.

Due to low numbers being returned for some results, some of the totals have been replaced with X, as by providing exact figures as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under **S40(2) – Personal Information**, would be engaged and result in information being refused. By replacing this data in this way, it can be provided in its entirety.
