FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/015776/H

I write in connection with your request for information dated 04/11/2025, received by Greater Manchester Police (GMP) for the following information:

I am writing to ask that you please provide information on how many suspects have been arrested and remain released under investigation for each of the following crimes in the past five years:

- 1. Coercive and controlling behaviour***
- 2. Rape***
- 3. Sexual assault***

Please break this figure down year by year.

ie. XX number arrested in 2020 and still under investigation, XX number in 2021.

Please also break down the figures by sex, where possible. ie. X number of male suspects, X number female.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Caveats.

- The data does not show controlling and coercive – this will be recorded under stalking and harassment figures.
- The data provided is the number of suspects, broken down by Male/Female who are currently released under investigation for the offence they are listed under.
- Due to some low results, some data has been replaced with X as by providing all this information split by individual gender and offence (excluding unknown) as you have requested

would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing the data this way, it can be provided in its entirety.

Please See table below.
