Result of Searches

Information relating to part one of your request is not held in an easily retrievable format, if it is indeed held at all. There is no centrally held record of correspondence and to provide such information would require each division, sub-division and possibly each individual officer to undertake necessary searches to establish if any relevant correspondence exists.

To comply with the whole of your request the process would take over 18 hours' work and therefore exceeds the appropriate limit of £450.00, the amount to which we are legally required to respond i.e. the cost of locating and retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004.

In accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice

GMP is obligated, pursuant to section 16(1) of the Act to provide you with advice and assistance on refining your request to bring compliance within the fees limit. The only advice that GMP can give is that you specify a particular divisional area or branch within GMP to make

you request more manageable within the fees limit of the act, although this still may not be possible for even one part of the organisation.
