I write in connection with your request for information dated 14/01/2025, received by Greater Manchester Police (GMP) for the following information:

I would like to ask the following under the Freedom of Information Act. My request relates to road traffic incidents / accidents involving vehicle collision with deer :

- 1) How many deer vehicle collisions (DVCs) has your force recorded since 1 January 2021 to 1 January 2025? Preferably on a month-by-month basis.***
- 2) Of those deer vehicle collisions recorded since 1 January 2021 to 1 January 2025, how many did your force attend? Preferably on a month-by-month basis.***

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Please note - GMP don't record non-injury collisions and therefore don't record whether we attended. Due to this it is likely that many will go unreported, even if there was an injury sustained.
