FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/014021/P

I write in connection with your request for information dated 20/01/2025, received by Greater Manchester Police (GMP) for the following information:

I would like to request the number of cases of domestic abuse each year from 2020 to 2025 split by gender. As well as the outcome of the crime.

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Caveats:

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

- This data contains crimes with a created date between 1st January 2020 and 22nd January 2025 where a domestic abuse flag has been applied, excluding cancelled crimes. Further information about cancelled crimes can be obtained from the Home Office Counting Rules.
- We are aware of a system issue that allows more than one victim to be attached to a crime, which is incorrect as stated in the Home Office Counting Rules.
- Missing value is unknown/unrecorded data.

Due to some low results, some data has been replaced with X. as by providing all this information split by individual gender outcome as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal

Information, would be engaged and result in information being refused. By replacing the data this way, it can be provided in its entirety.

Please the attached sheets below.
