Caveats.

In July 2019, GMP implemented one of the largest IT infrastructure changes in UK policing. The systems are in continual development and the data provided for this request is what the systems currently hold.

- The crime total was searched using H/O code 019/08, 019/07, 019/06 & 020/03 (as defined above) for the periods 01/01/2023 - 31/12/2023.
- All Offender Nationalities have been listed.
- Where possible duplicates have been removed.
- All figures searched are Offender Based.
- This only includes data for the nationalities asked for in this request.

Due to some low results, the information has been split into nationality and the total number of charges as by providing all this information split by individual outcome and nationality as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing the data this way, it can be provided in its entirety.
