FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/014084/E

I write in connection with your request for information dated 30/01/2025, received by Greater Manchester Police (GMP) for the following information:

*We understand that as Greater Manchester Police you are a partner of Good Deeds Trust, who run the *Dementia Buddy Scheme:*

[REDACTED], [REDACTED]

**These are the Wrist bracelets worn by people living with dementia.*

We run a dementia carer support service in Warwickshire and are investigating the possibility of using these with our own Warwickshire Constabulary.

Would it be possible to tell me if these "dementia buddy" bracelets have proven helpful for the Greater Manchester police to help people with dementia who have become lost and if so, how many incidents how been documented within the calendar year 2022-2203?

We would appreciate any information that you are able to supply.
