FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/014051/V

I write in connection with your request for information dated 21/01/2025, received by Greater Manchester Police (GMP) for the following information:

May I raise a new freedom of information request as to what the scores are out of with regards to the grading of job descriptions. We have the total now, but we don't know what that means in terms of how far it was away from being an E grade? Please can we therefore, have the grading total for D grade and E grade as we have been told conflicting information from management and unison, that we were near the top of D but then also told we were near the bottom of D.
