FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/014250/E

I write in connection with your request for information dated 20/02/2025, received by Greater Manchester Police (GMP) for the following information:

I am writing to you under the Freedom of Information Act 2000 to request the following information from Greater Manchester Police. Please may you provide me with:

- 1. The number of motorists who were caught and penalised for speeding offences from 1st January 2024 through to 31st December 2024.***
- 2. The car manufacturer of each of the vehicles caught and penalised for speeding offences in this time period.***

Please provide the information in the form of an excel spreadsheet, with categories for:

- Date of offence***
- Car manufacturer involved***

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

Please note - Due to some low results, the make of car has been provided in a separate list as by providing all this information split by individual offence as you have requested would significantly increase the likelihood of identifying the individual(s) concerned, and as such the exemption under S40(2) – Personal Information, would be engaged and result in information being refused. By replacing the data this way, it can be provided in its entirety.

Data provided in monthly totals for January 2024 – December 2024.

All vehicle makes involved provided below.
