**FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/24/013863/Y**

I write in connection with your request for information dated 22/12/2024, received by Greater Manchester Police (GMP) for the following information:

*Could you please tell me how many sexual assaults were recorded in hospitals in your area in each year since 2014?*

*Could you also please specify how many in each year were recorded as rape?*

*If possible, could you also please tell me the types of wards or hospitals in which the assaults took place? Whether for instance they were in psychiatric hospitals, or childrens' hospitals.*

**Result of Searches**

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate information relevant to your request. I can confirm that the information you have requested is held by GMP.

Greater Manchester Police (GMP) does not hold the information that you have requested in an easily retrievable format. To provide the data requested would involve a manual search of all sexual assault and rape crimes within your specified time frame to see which occurred in a hospital, and which of those took place on a particular type of ward.

A search of our records shows that there were 20,295 rapes and 49,381 other sexual offences records that would have to be manually reviewed in order to answer your request. At a very conservative estimate of 30 seconds to locate, retrieve and review each file it would take approximately 580 hours to ascertain the data required.

Therefore, to comply with the whole of your request the process would take over 18 hours' work which exceeds the appropriate limit of £450.00, the amount to which we are legally required to respond.

As per section 12(1) of the Freedom of Information Act 2000, the cost of providing you with the information is therefore above the amount to which we are legally required to respond i.e. the cost of locating and retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004.

In accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice.

GMP is obligated, pursuant to section 16(1) of the Act to provide you with advice and assistance on refining your request to bring compliance within the fees limit. In order for the force to keep this within the fees limit, the information that you are requesting will need to be reduced to a greatly reduced time period. The resulting response cannot be guaranteed at this point as it will be dependent upon the number of records that fall within the scope of any new request, as they would still have to be manually assessed.

Should you wish to refine and resubmit your request in line with the advice above please respond to [freedomofinformation@gmp.police.uk](mailto:freedomofinformation@gmp.police.uk).
