FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/013916/P

I write in connection with your request for information dated 07/01/2025, received by Greater Manchester Police (GMP) for the following information:

Sorry to bother you, my grandad asked me to find information about the local police station for him but ive been unsuccessful on google. We live in Walkden [REDACTED] and there is a station that's been on Manchester Road for most of his life but he thinks its now closed. The building is still there and has police signs though so I wasn't sure what to tell him. Is it closed? My grandad is interested in how to town is changing, he likes to document the history of walkden and little hulton but he isnt very good at using the internet yet so im here doing it for him haha.

As far as I'm aware it closed years ago and our new local station is Swinton?

Thank you for your time and services!

Result of Searches

Following receipt of your request searches were conducted within Greater Manchester Police (GMP) to locate the requested information and I can confirm the information requested is held by GMP.

GMP still have an operational station in Little Hulton, 382 Manchester Road East.

For any further information regarding the history of GMP, please contact the GMP police museum.
