FREEDOM OF INFORMATION REQUEST REFERENCE NO: 01/FOI/25/014875/F

I write in connection with your request for information dated 04/06/2025, received by Greater Manchester Police (GMP) for the following information:

Please can you tell me under the FOI Act 2000, how many police hours were spent on dealing with non-crime hate incidents in the year ending 31 March 2025 and in the year ending 31 March 2024.

Result of Searches

Information relating your request is not held in an easily retrievable format, if it is indeed held at all. There is no centrally held record of time spent on non-crime hate incidents and to provide such data would require each division, sub-division and possibly each individual officer to undertake necessary searches to establish if this has happened and if for how long.

To comply with the whole of your request the process would take over 18 hours' work and therefore exceeds the appropriate limit of £450.00, the amount to which we are legally required to respond i.e. the cost of locating and retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004.

In accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice

GMP is obligated, pursuant to section 16(1) of the Act to provide you with advice and assistance on refining your request to bring compliance within the fees limit. The only advice that GMP can give is that you specify a particular district within GMP to make you request more manageable within the fees limit of the act, although this still may not be possible for even one district.
